*For example:*

### **Spa Repair**

Customers can expect prompt and dependable service with extensive knowledge of all brands of hot tubs/spas. From a simple repair to a full refurbish of your existing hot tub.

### **Water Maintenance**

We provide water testing and treating and filter cleaning. Proper chemical balance of your spa water is essential to bather comfort and health as well as the life of your hot tub equipment.

### **Spa Transport**

We offer experienced local transport services. From moving your spa across the yard to relocating to a different town. \*7 ft tubs or smaller

### **Parts Sales**

If you are a DIY person or out of our service area, we can help you find the parts that you need to repair your hot tub. We stock the most common hot tub parts or can order for you.

# ABOUT:

## YOUR "ABOUT" PAGE

**4.) A paragraph that can include your, BIO, mission statement, training history.....etc.**

*For example:*

HOT TUB EXPERTS

Hot Tubs Plus was established in January 2000 with the goal of providing reliable hot tub service. Our passion for excellence inspired us in the beginning and continues to drive us today.

In our 22 years in business, we have evolved from a pool and spa service company to specializing on service and repair of all brands of hot tubs and hot tub sales. Currently, we transitioned from hot tub sales to focus exclusively on service, repair and part sales.

We pride ourselves in being a family owned business who have built long-term relationships with our customers through our many years in business. We invite you to give us a try and experience the difference!
